

UCHRA

Union County Human Resources Association

Sponsorship Information

It's an exciting time to be involved with UCHRA and we are pleased that you are interested in finding out more about sponsorship! We believe that you will find a great marketing opportunity through our local SHRM sponsored chapter!

While we will always see HR Directors, Managers, Recruiters, Generalists, Specialists and Training professionals at our meetings, you will also find just as many non-HR members and visitors who are closely connected to the HR profession. In the past we have seen representatives and decision makers from state and local government, staffing/recruiting firms, operations management, and small business owners. These individuals come from a wide array of industries in one of the fastest growing areas of North Carolina!

For just \$175 Sponsorship Fee, you will receive the following:

- A five (5) minute presentation at the beginning of the meeting
- A display table in the meeting room which will allow you to have time to network with the members after the meeting or display your products/services
- The opportunity to place promotional material at each meeting attendee's chair
- The opportunity to collect business cards through a drawing and the presentation of a gift
- Acknowledgment of your sponsorship on the UCHRA Website and on the Union County Chamber's website

For more information or to check availability, contact Brad Wallace, VP Marketing via email at brad.wallace@standardregister.com

Yes, I'm interested in becoming a sponsor!

No, I'm not interested at this time, but add me to your mailing list!
